- Level 1. Outpatients & Café
- Ground Floor. Main Entrance
- Lower Ground. Radiotherapy

Ground Floor

- The main reception desk will be a central focus to welcome patients and visitors.
- The charity team, a cancer information centre and benefits advice service will share the large open space. There will also be three quiet rooms for more private discussions.
- Two Clinical Education classrooms for teaching sessions.
- A multi-use room will offer patients space for complementary therapies.
- A board room and conference/meeting facility.
